

Find a LabCorp Location for Specimen Collection

Access the most up-to-date list of LabCorp locations for specimen collection through the **Labs & Appointments** feature at www.LabCorp.com.

Home / Labs & Appointments

Find your nearest lab location and schedule an appointment using the search below.

Appointments must be made at least two hours in advance. Appointments are not required, and walk-ins are also welcome. **Please note:** not all lab locations offer all services.

*All fields are required, except ones marked as optional.

Enter address or zip code

Online Lab Locator

Visit www.LabCorp.com and click on **Labs & Appointments**. Enter your address or ZIP code and choose the **Service** required to find a lab for specimen collection in your area. If you would like to modify or cancel an appointment, you can do that as well. Maps, driving directions, services, and hours of operation are also available.

No Internet Access?

Dial **888-LabCorp** (888-522-2677) to access the automated lab locator. Follow the prompts and enter your five-digit ZIP code to find the locations in your area.
