

Ship Your Specimen to LabCorp via FedEx®

Your specimen must be shipped Monday through Friday on the same day that you collect it.

You have 2 options for shipping your sample.

FedEx Drop Box

It's important to bring your specimen to a drop box on the same day you collect it before the last Express pick up.

Deliver your specimen to a drop box Monday through Friday.

Do not take it to a FedEx office.

Do not place kit in drop box on Saturday or Sunday.

Schedule a FedEx Pickup

Schedule your FedEx pickup for a weekday (Monday through Friday). Call FedEx at **800-463-3339** and answer some questions.

FedEx: "What are you calling about?" **You:** "FedEx Express® return pickup"

FedEx: "...a pickup request for a return. To arrange a pickup for today or tomorrow, depending on availability, say "pickup." **You:** "Pickup"

FedEx: "Is the word "stamp" written anywhere on your return label?" **You:** "No"

FedEx: "What is the tracking number?" **You:** Provide the tracking number (TRK#) from the return label

FedEx: "What kind of return are you calling about?" **You:** "FedEx Express"

Provide additional information as requested. You may be asked for the pickup location address, number of packages to be picked up, day and time window for the pickup, or if your shipment is currently ready.

Note the confirmation pickup number provided. If you are asked for a credit card or account number, state that this is a FedEx Express return pickup and provide the tracking number (TRK#) from the return label.

Do not collect your specimen until you confirm pickup times of the drop box or have confirmed your scheduled pickup. Visit <https://bit.ly/fedexdropbox> to view FedEx drop box locations and pickup schedules.
